

Students in Eric Magrane's 2015 American Landscape Field Course at the Grand Canyon

FIELD EXPLORATIONS IN GEOGRAPHY

GEOG 483/583 // CRN 35468/35469

SPRING 2018 SECOND MINI-SEMESTER

SOUTHWESTERN ROAD TRIP March 17 - March 24

+ 3 TUESDAY (2:35pm-3:50pm) CLASS MEETINGS ON CAMPUS (3/13, 3/27, 4/3)

Join a spring 2018 second mini-semester **geography** course over spring break for a first-hand experience of the Southwestern **landscape**. After meeting in the classroom to ground ourselves and make preparations, we'll hit the road for a week-long trip, camping along the way.

We'll explore physical, human, and environmental geography, and the interactions between **environment**, **nature**, **culture**, and **place**.

Some of the sites we'll likely visit:

The Sonoran Desert // Grand Canyon // Glen Canyon Dam // Canyon de Chelly

Questions: Email Dr. Eric Magrane at magrane@nmsu.edu
